COVENANTS OF THE PARTIES

Section 6.1 Conduct of Business Pending the Closing. Except as required pursuant to Order of the Bankruptcy Court or as restricted by virtue of the fact that Seller is a debtor under the Bankruptcy Code or by a budget for Seller's operations and activities hereafter approved by the Bankruptcy Court in the Case, during the period from the date of this Agreement and continuing until the earlier of the termination of this Agreement in accordance with its terms or the Closing, Seller shall use all commercially reasonable efforts to carry on the Business in the ordinary course of business and, to the extent consistent therewith, use all commercially reasonable efforts to preserve the Business intact and preserve the goodwill of and relationships with Governmental Entities, customers, suppliers, partners, lessors, licensors, licensees, vendors, contractors, distributors, agents, officers and employees and others having business dealings with the Business, it being expressly understood and agreed that any loss of goodwill or customer relationships resulting from the winding down and closing of other facilities and operations of Sellers not included among the Purchased Assets shall not be deemed a violation of any covenant of Seller set forth herein. (g) with regard to the Seller's employees except as approved by Buyer (which approval shall not be unreasonably withheld or delayed) (i) increase in any manner the compensation or benefits of, or pay any bonus or other supplemental or incentive payment to, any such employee other than any management incentive plan approved by the Bankruptcy Court in the Case, (ii) grant any severance or termination pay (other than pursuant to existing agreements of Seller in effect on the date hereof), to, or enter into any severance agreement with, any such employee, unless such severance is conditioned upon employee's employment having been terminated by Seller and such employee's not being offered employment with Buyer or any other employer, (iii) establish, adopt, enter into or amend any Benefit Plan or other arrangement of Seller, except as may be required to comply with applicable Law, (iv) grant to any such employee any awards under any bonus, incentive, performance or other compensation plan or arrangement or Benefit Plan or other arrangement, (v) hire or discharge any such employee that earns in excess of \$30,000 per year, or (vi) terminate any such employee other than for cause;

(k) modify, amend, terminate (other than the Permitted Rejection Contracts), assign, sublet or extend the term of any Property Lease or Equipment Lease related to the Business unless Buyer has provided its written consent to such transaction, which consent shall not be unreasonably withheld; provided, however, that with respect to each such Property Lease and Equipment Lease, Seller shall provide Buyer with at least thirty (30) days' written notice prior to the expiration of any period within which a renewal option for such lease shall expire;

(l) except as set forth on Schedule 6.1(l), enter into, modify, amend, terminate, assign, extend or permit any renewal notice period or option to lapse with respect to (i) any Contract (or series of related Contracts) related to the Business that contains consideration to be given or performed by Seller of a value exceeding \$50,000 or (ii) any Contract (or series of related Contracts) related to the Business that is not terminable by Seller, as is party thereto, on 30 days' or less notice without penalty; or

This Section 6.1 as well as any representation, warranty, covenant, schedule or closing condition contained in this Agreement shall not apply to any Excluded Assets from and after the date that such assets are designated by Buyer as being Excluded Assets, except, however, to the extent a provision of this Section 6.1 or such representation, warranty, covenant, schedule or closing condition makes specific reference to an Excluded Asset (or category of Excluded Assets) or to operations relating to an Excluded Asset (or category of Excluded Assets). Similarly, assets that become Purchased Assets shall be added in writing as appropriate to schedules to this Agreement.

Section 6.2 Bankruptcy Court Order.

(a) On October 30, 2008, substantially concurrent with the filing of its Bankruptcy Petition, Seller shall file Debtor's Motion for an Order to Sell Assets Free and Clear of all Liens, Claim, Interests and Encumbrances Outside of the Ordinary Course of Business and Assuming and Assigning Certain Unexpired Leases and Executory Contracts pursuant to 11 U.S.C. §§ 105, 363(f) and 365 (the "Sale Motion") to approve the sale of the Purchased Assets in accordance with the Agreement.

(b) Seller shall use commercially reasonable efforts to obtain, through the filed Sale Motion, entry of an Order granting the Approval Order, on or before December 18, 2008, having provided notice to creditors and parties in interest in accordance with the Bankruptcy Code and Bankruptcy Rules.

Section 6.3 Notification of Certain Matters. Seller shall give Notice to Buyer no later than three (3) Business Days after any of the following are received of (i) any written notice or other communication from any Person alleging that the consent of such Person, which is or may be required in connection with the transactions contemplated by this Agreement, is not likely to be obtained prior to Closing, and (ii) any written objection or Proceeding that challenges the transactions contemplated hereby or the entry of the Approval Order. Seller shall give Notice to Buyer no later than three (3) Business Days following Seller's receipt of written notice of any of the following: (i) any notice of any alleged violation of Law applicable to the Seller of which it has Knowledge; (ii) any written notice of the commencement of any investigation, inquiry or review by any Governmental Entity with respect to the Business or that any such investigation, inquiry or review, to the Knowledge of Seller, is contemplated; (iii) the infringement or unauthorized use by any Person of any material Intellectual Property (of which Seller has Knowledge); (iv) the resignation of any Key Employees or 10% or more of the employees at any Acquired Leased Facility; (v) any destruction or significant damage to the Acquired Leased Facilities and any Equipment contained therein, whether caused by natural disaster or otherwise; and (vi) the execution of any Material Contract (and Seller shall deliver or make available a copy thereof to Buyer). Buyer shall give prompt Notice to Seller, and Seller shall give prompt Notice to Buyer, in the event that either party becomes aware of any event which would reasonably be expected to (i) have a Material Adverse Effect or (ii) provide such party with the ability to terminate the Agreement pursuant to 9.1(b)(iii) or 9.1(c)(iii), as applicable.

Section 6.4 Access.

(a) Subject to applicable Law, from the date hereof until the earlier of the Closing Time and any termination of this Agreement, Seller (i) shall give Buyer and its Representatives reasonable access during normal business hours to the offices, properties, officers, employees, accountants, auditors, counsel (other than counsel to Seller in connection with the Cases) and other representatives, books and records of Seller, (ii) shall furnish to Buyer and its Representatives such financial, operating and property related data and other information as such persons reasonably request, and (iii) shall instruct Seller's employees, counsel and financial advisors to cooperate with Buyer in its investigation of the Business. In addition, with Seller's consent, which consent shall not be unreasonably withheld, Buyer shall have the right to contact Seller's landlords, lessors, suppliers and other third parties with respect to any Purchased Assets or Assumed Liabilities.

(b) From and after the Closing Time, Seller shall give Buyer and Buyer's Representatives reasonable access during normal business hours to the offices, facilities, plants, properties, officers, employees, books and records of Seller pertaining to the Business, and Seller shall cause their Representatives to furnish to Buyer such financial, technical, operating and other information pertaining to the Business as Buyer's Representatives shall from time to time

Such access shall be provided upon written notice from Seller and during Buyer's normal business hours, and only to the extent such access does not interfere with or disrupt Buyer's normal business operations. Such access shall include (a) the right of such Permitted Access Parties to copy, at such Permitted Access Parties' expense, such documents and records as they may request in furtherance of the purposes described above, and (b) Buyer's copying and delivering to the relevant Permitted Access Parties such documents or records as they may request, but only to the extent such Permitted Access Parties furnish Buyer with reasonably detailed written descriptions of the materials to be so copied and the applicable Permitted Access Party reimburses the Buyer for the costs and expenses thereof. During the Post-Closing Cooperation Period, Buyer shall make designated personnel available to assist Seller with accessing information reasonably required for Seller's post-Closing Time activities (including, without limitation, preparation of tax returns), provided that such access does not interfere with the Buyer's business operations.

Section 6.5 Confidentiality; Privacy.

Intentionally Left Blank

Section 6.6 Public Announcements. From the date hereof until the earlier of the Closing or the termination of this Agreement, the Seller will give Buyer the opportunity to review and comment upon, any press release, any court filing or pleading filed with the Bankruptcy Court relating primarily to this Agreement or the transactions contemplated hereby, or other public statements with respect to the transactions contemplated by this Agreement, and Seller shall not issue any such press release without the prior written approval of Buyer, in each case except as may be required by Law, court process or by obligations pursuant to any listing agreement with any national securities exchange. Seller shall use its commercially reasonable efforts to cause its Affiliates, employees, officers and directors to comply with this Section 6.6.

Section 6.7 Cure of Defaults; Adequate Assurance. Subject to the Approval Order, Seller shall, on or prior to the Closing, cure, any and all defaults and breaches under and satisfy any Liability arising from or relating to pre-Closing periods under the Contracts or Property Leases so that such Contracts and/or Property Leases intended to be assumed by Buyer as of the Closing in accordance with this Agreement may be assumed by Seller and assigned to Buyer in accordance with the provisions of Section 365 of the Bankruptcy Code and this Agreement. Seller agrees that it will promptly take such actions as are necessary or desirable to obtain the Approval Order from the Bankruptcy Court providing for the assumption and assignment of the Contracts and Property Leases.

Section 6.8 Employment Matters. Buyer or an Affiliate of Buyer may offer

employment, in advance of and contingent upon Closing and effective as of the Closing Time, to certain of the Identified Employees as determined by Buyer on such terms as Buyer or an Affiliate of Buyer shall determine in its sole discretion (exercised in accordance with the following); provided, however, that Buyer shall not have any obligation to assume any severance, retention or other similar contractual provision of any Identified Employee that is offered employment by Buyer. Seller shall terminate the employment of all Identified Employees to whom Buyer intends to make an offer immediately prior to the Closing Time and shall comply with any and all requirements of the WARN Act or any similar state law applicable to Seller in connection therewith. Each Identified Employee who accepts an offer of employment from Buyer or an Affiliate of Buyer shall be deemed to be a hired employee ("Hired Employee") on the day such employee commences active employment with Buyer or an Affiliate of Buyer (not earlier than the Closing Time).

Section 6.9 Further Agreements. Seller shall use commercially reasonable efforts to deliver to Buyer any mail or other communication received by Seller after the Closing Time pertaining to the Purchased Assets, the Business or the Assumed Liabilities, and any cash, checks or other instruments of payment in respect thereof. Buyer shall use all commercially reasonable efforts to promptly deliver to Seller any mail or other communication received by it after the Closing Time pertaining to the Excluded Assets or any Excluded Liabilities, and any cash, checks or other instruments of payment in respect thereof. From and after the Closing Time, Seller shall use all commercially reasonable efforts to refer all inquiries with respect to the Business, the Purchased Assets and the Assumed Liabilities to Buyer, and Buyer shall use all commercially reasonable efforts to refer all inquiries with respect to the Excluded Assets and the Excluded Liabilities to Seller.

Section 6.10 Payment of Transfer Taxes and Tax Filings. All Transfer Taxes arising out of the transfer of the Purchased Assets and any Transfer Taxes required to effect any recording or filing with respect thereto shall be borne by Buyer. The Transfer Taxes shall be calculated assuming that no exemption from Transfer Taxes is available, unless otherwise indicated in the Approval Order or, at Closing, Seller or Buyer, as appropriate, provides an appropriate resale exemption certificate or other evidence acceptable to Buyer or Seller, as appropriate, of exemption from such Transfer Taxes. Seller and Buyer shall cooperate to timely prepare and file any Tax Returns relating to such Transfer Taxes, including any claim for exemption or exclusion from the application or imposition of any Transfer Taxes. Seller shall pay all Transfer Taxes and shall file all necessary documentation and returns with respect to such Transfer Taxes when due, and shall promptly, following the filing thereof, furnish a copy of such return or other filing and a copy of a receipt showing payment of any such Transfer Tax to Buyer, and Buyer shall promptly reimburse Seller pursuant to the first sentence of this Section. Each party hereto shall furnish or cause to be furnished to the other, upon request, as promptly as practicable, such information and assistance relating to the Purchased Assets and the Business as is reasonably necessary for filing of all Tax Returns, including any claim for exemption or exclusion from the application or imposition of any Taxes or making of any election related to Taxes, the preparation for any audit by any taxing authority and the prosecution or defense of any claim, suit or proceeding relating to any Tax Return.

Section 6.11 Utilities. To the extent practicable, the parties hereto shall notify the gas, water, sewage treatment, telephone and electric utility companies that Buyer shall be responsible for the payment of all obligations of the Business or the Purchased Assets incurred therefor on or after the Closing Time. Buyer shall be responsible for the payment of all charges for such services incurred after the Closing Time. Seller shall be responsible, as debtors-in-possession, for the payment of all charges for such services incurred from and after the Petition Date through the Closing Time. Seller shall use commercially reasonable efforts to cause the telephone companies to render a bill for telephone service incurred from and after the Petition Date to and including the Closing Time, and Seller shall be responsible for the payment of such bill.

Section 6.12 Proration of Taxes and Certain Charges.

(a) All real property Taxes, personal property Taxes or similar ad valorem obligations (and no other Taxes) levied with respect to the Purchased Assets for any taxable period that includes a day before the Closing Date and ends after the Closing Date, whether imposed or assessed before or after the Closing Date, shall be prorated between Seller and Buyer as of the Closing Date paid by Buyer as of the Closing Date. Seller shall be responsible for the payment of all Taxes incurred or accrued through the Closing Date and Buyer shall be responsible for the payment of all Taxes incurred or accrued after the Closing Date. If any such Taxes subject to proration are paid by Buyer, on one hand, or Seller, on the other hand, the proportionate amount of such Taxes paid (or in the event a refund of any portion of such Taxes previously paid is received, such refund) shall be paid promptly by (or to) the other after the payment of such Taxes (or promptly following the receipt of any such refund). Additionally, if any of Seller's portion of taxes are not currently paid at time of Closing, said portion may be deducted from the \$100,000 cash proceeds being paid by Buyer, at Seller's election.

(b) Except as otherwise expressly provided herein, all installments of special assessments or other charges on or with respect to the Purchased Assets payable by Seller for any period in which the Closing Date shall occur, including base rent, common area maintenance, royalties, all municipal, utility or authority charges for water, sewer, electric or gas charges, garbage or waste removal, and cost of fuel, shall be apportioned as of the Closing Date and each party shall pay its proportionate share promptly upon the receipt of any bill, statement or other charge with respect thereto. Seller shall be responsible for the payment of all charges incurred or accrued through the Closing Date. If such charges or rates are assessed either based upon time or for a specified period, such charges or rates shall be prorated as of the Closing Date. If such charges or rates are assessed based upon usage of utility or similar services, such charges shall be prorated based upon meter readings taken on the Closing Date.

Section 6.13 Reasonable Efforts; Notification.

(a) Each of the parties will use all reasonable efforts to take, or cause to be taken, all actions and use all reasonable efforts to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things which to its Knowledge are necessary, proper or advisable to consummate and make effective the transactions contemplated by this Agreement, including: (i) the obtaining of all other necessary actions, non-actions, waivers, and

Permits from Governmental Entities and the making of all other necessary registrations and filings, (ii) the obtaining of all consents from the Consent Parties, if any, and (iii) in each case to the extent the same do not expand the rights and obligations of the applicable party pursuant to the other provisions of this Agreement, the execution and delivery of any additional certificates, agreements, instruments, reports, schedules, statements, consents, documents and information necessary to consummate the transactions contemplated by this Agreement.

(b) Except as required by Law, each party hereto shall promptly inform the other of any communication from any Governmental Entity regarding any of the transactions contemplated by this Agreement. If any party hereto or Affiliate thereof receives a request for additional information or documentary material from any such Government Entity with respect to the transactions contemplated by this Agreement, then such party will use its reasonable efforts to make, or cause to be made, as soon as reasonably practicable and after consultation with the other party, an appropriate response in compliance with such request.

(c) To the extent commercially reasonable and as may be mutually agreed to between Seller and Buyer, Seller and its Affiliates, employees and agents shall, at Buyer's expense, post-closing, provide those services and communications that are reasonably requested by Buyer to assist Buyer in maintaining and continuing operation of the Acquired Leased Facilities.

Section 6.14 Rejected Contracts. Seller shall not reject any Assumed Contract, Assumed Real Property Leases, Assumed Equipment Leases, or Acquired Intellectual Property without the prior written consent of Buyer.

Section 6.15 Adequate Assurances. Buyer will use commercially reasonable efforts to provide Seller with information regarding Buyer's intended business plans and capital structure on and after the Closing Time, and shall cooperate with Seller in communicating with third parties to Assumed Contracts, Assumed Real Property Leases, Assumed Equipment Leases or Acquired Intellectual Property as may be reasonably necessary to assist Seller in establishing that Buyer has satisfied the requirement of adequate assurance of future performance contained in sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assumed Contracts, Assumed Real Property Leases, Assumed Equipment Leases and Acquired Intellectual Property (collectively, "Assumed Agreements"). Buyer shall be fully responsible for providing evidence at the Sale Hearing of such adequate assurance of future performance with respect to all of the foregoing, it being understood and agreed that Buyer shall bear the risk of any failure to satisfy such requirement and Buyer's obligations to close the transaction hereunder shall not be conditioned upon the assumption and assignment of any Assumed Agreement that can not be assumed and assigned by reason of such failure to provide adequate assurance of future performance as required herein.

Section 6.16 Further Assurances. Subject to the terms and conditions herein provided, following the Closing Time, Seller shall execute and deliver to Buyer such bills of sale, endorsements, assignments and other good and sufficient instruments of assignment, transfer and conveyance, in form and substance reasonably satisfactory to Buyer, as shall be reasonably

requested to vest in Buyer all of Seller's right, title and interest in and to the Purchased Assets. Seller shall take such reasonable steps as may be reasonably necessary or appropriate at and after the Closing, so that Buyer shall be placed in actual possession and operating control of the Purchased Assets. Seller shall provide copies or otherwise make available to Buyer and Buyer's Representatives, all information and records (financial and otherwise) relating to, or otherwise used or useful in the Business, and not otherwise included in the Purchased Assets.

Section 6.17 Post-Closing Reconciliation. With respect to any and all amounts received or collected from and after the Closing by the Seller attributable to, or in respect of, any of the Purchased Assets or by Buyer attributable to, or in respect of, any of the Excluded Assets, Seller or Buyer, as the case may be, shall (i) hold such amounts in trust for and on behalf of the other party, (ii) provide prompt notice of such receipt or collection to the other party, (iii) pay promptly (and in any event within 2 Business Days of their receipt or collection) to the other party any and all such amounts so received or collected by wire transfer of immediately available funds to an account or accounts designated by the other party or by other means acceptable to the other party.

Section 6.18 Assignment Assistance. To the extent that any debtor other than Seller owns any property, assets, rights, titles or interests of any kind and nature used exclusively in connection with the Business or located at the Acquired Leased Facilities, Seller hereby covenants that it will (and it will cause such other debtors to), from time to time, prior to or subsequent to the Closing, without further consideration, do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, all further acts, conveyances, transfers, assignments and assurances as reasonably may be required to convey or transfer to Buyer any such property, assets, rights, titles or interests.

Section 6.19 Change of Name. Within ten (10) Business Days after the Closing Date Seller shall commence the process to amend its governing documents and take all reasonable other actions, including action in the Case, necessary to change its name to one sufficiently dissimilar to Seller's present name, in Buyer's reasonable judgment, to avoid confusion.

ARTICLE 7

CONDITIONS TO OBLIGATIONS OF THE BUYER

Section 7.1 Conditions Precedent to Obligations of Buyer. The obligation of Buyer to consummate the transactions contemplated by this Agreement is subject to the satisfaction (or waiver by Buyer in Buyer's sole discretion) at or prior to the Closing Time of each of the following conditions:

(a) Accuracy of Representations and Warranties. Each of the representations and warranties of Seller contained herein shall be true and correct in all material respects on the date hereof and on the Closing Time, with the same force and effect as though such representations and warranties had been made on and as of the Closing Time, except to the extent that any such representations or warranty is made as of a specified date, in which case such representation or warranty shall have been true and correct as of such date.

(b) Performance of Obligations. Seller shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by them on or prior to the Closing Time.

(c) Officer's Certificate. Buyer shall have received a certificate, dated the Closing Time, of an appropriate officer of Seller, identifying any failure of any representation or warranty that is not true and correct on and as of the Closing Time and otherwise to the effect that the conditions specified in Section 7.1(a) and Section 7.1(b) above have been fulfilled.

(d) Bankruptcy Court Approval. The Bankruptcy Court shall have entered an Order or Orders (the "Approval Order") on or before December 18, 2008 in substantially the form set forth in Exhibit K hereto, which, among other things, (i) approves, pursuant to Sections 105, 363 and 365 of the Bankruptcy Code, with such changes only as are mutually approved by Buyer and Seller: (A) the execution, delivery and performance by Seller of this Agreement, including each and every term and condition hereof, and the other instruments and agreements contemplated hereby, (B) the sale of the Purchased Assets to Buyer on the terms set forth herein free and clear of all Liens, claims and interests, in, to and under each and all of the Purchased Assets, and (C) the performance by Seller of its obligations under this Agreement; (ii) authorizes and directs Seller to assume and assign to Buyer the Assumed Contracts, Assumed Real Property Leases, Assumed Equipment Leases and Acquired Intellectual Property; and (iii) finds that Buyer is a "good faith" buyer within the meaning of Section 363(m) of the Bankruptcy Code. The Approval Order shall be in full force and effect and as of the Closing shall not be stayed, enjoined or modified. To the extent the same may not be transferable pursuant to applicable law, the Approval Order may exclude approval of the sale of the Purchased Assets that are not necessary to the operation of the Business. Seller shall have delivered to Buyer (i) a certified copy of the Order or Orders providing for Bankruptcy Court approval, and (ii) copies of all affidavits of service of Seller's motion seeking the Approval Order or notice of such motion filed by or on behalf of Seller. In addition to the provisions set forth above, the Approval Order shall find and order, with respect to each Assumed Real Property Lease, subject to appropriate showing of adequate assurance of future performance by Buyer, cure by Seller or Buyer, as and if applicable, in accordance with the provisions of Section 6.8 hereof, and applicable law, that: (i) it is free from default and in full force and effect; and (ii) any extension or renewal option in such Assumed Real Property Lease which purports to be personal only to Seller or to a named entity in such Assumed Real Property Lease or to be exercisable only by Seller or an entity operating under a specific trade name is an unenforceable restriction on assignment and, that all extension or renewal options may be freely exercised by Buyer and its Affiliates and their respective successors and assigns.

(e) Assumed Contracts and Leases. All of the Assumed Contracts, Assumed Real Property Leases, Acquired Intellectual Property and Assumed Equipment Leases (i) shall be in full force and assignable to and assumable by Buyer without the consent of the other party thereto pursuant to Section 365 of the Bankruptcy Code or consent thereto shall have been obtained, and (ii) have had all of Seller's breaches, defaults and Liabilities thereunder arising from or relating to pre-Closing periods satisfied and cured in accordance with Section 6.7 hereof.

(f) No Material Adverse Change. Other than the filing of the Cases, since the date hereof, no event, occurrence, fact, condition, change, development or effect shall have occurred or shall exist that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect.

(g) No Violation of Law or Orders. No provisions of any applicable Law or Order enacted, entered, promulgated, enforced or issued by any Governmental Entity shall be in effect that (i) prevents, renders illegal or otherwise prohibits the sale and purchase of the Purchased Assets or any of the other transactions contemplated by this Agreement or (ii) would adversely affect or interfere with the operation of the Business in a manner that would constitute a Material Adverse Effect.

(h) Purchased Assets. No properties, assets and rights used or held by Seller for use in the Business, or owned by Seller (and not an Excluded Asset or which does not become an Excluded Asset pursuant to the other provisions hereof) as are necessary to conduct the Business, shall be excluded from the Purchased Assets due to Seller's inability to assign such Contracts, Permits, or other properties, assets or rights, whereby the non-assignability thereof, individually or in the aggregate, would reasonably be expected to constitute a Material Adverse Effect.

(i) Employees. Buyer shall have satisfied itself that such of the Key Employees as Buyer may determine to hire will accept employment with Buyer.

(j) Mutual Approval of Schedules. On or before Seller's Schedule Delivery Date, Seller shall have completed and provided to Buyer any changes to all Schedules to this Agreement (including, without limitation, the Seller's Disclosure Schedule), and for Buyer's approval of any such material changes.

ARTICLE 8

CONDITIONS TO OBLIGATIONS OF THE SELLER

Section 8.1 Conditions Precedent to the Obligations of Seller. The obligation of Seller to consummate the transactions contemplated by this Agreement is subject to the satisfaction (or waiver by Seller) at or prior to the Closing Time of each of the following conditions:

(a) Accuracy of Representations and Warranties. The representations and warranties of Buyer contained herein shall be true and correct in all material respects on the date hereof and shall be true and correct in all respects on and as of the Closing Time, with the same force and effect as though such representations and warranties had been made on and as of the Closing Time, except to the extent that any such representations or warranty is made as of a specified date, in which case such representation or warranty shall have been true and correct as of such date; provided, however, that the failure of any such representations or warranties to be true and correct on and as of the Closing Time shall not constitute a basis for Seller to refuse to consummate the transactions contemplated hereby unless such failure, either individually or in the aggregate, has or would reasonably be expected to have a material and adverse affect on

Buyer's ability to perform its obligations under this Agreement.

(b) Performance of Obligations. Buyer shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by it prior to or on the Closing Time.

(c) Officer's Certificate. Seller shall have received a certificate, dated the Closing Time, of an officer of Buyer to the effect that the conditions specified in Section 8.1(a) and (b) above have been fulfilled.

(d) Approval Order. The Approval Order shall be in full force and effect and as of the Closing shall not be stayed, enjoined or modified.

(e) No Violation of Law or Orders. No provisions of any applicable Law or Order enacted, entered, promulgated, enforced or issued by any Governmental Entity shall be in effect that prevents, renders illegal or otherwise prohibits the sale and purchase of the Purchased Assets or any of the other transactions contemplated by this Agreement.

(f) Mutual Approval of Schedules. Three (3) or more business days prior to the Closing Date, Buyer shall have approved any material changes to the Schedules to the Agreement.

ARTICLE 9

TERMINATION

Section 9.1 Termination of Agreement. This Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Closing:

(a) by written agreement of Seller and Buyer;

(b) by Buyer:

(i) at any time after December 29, 2008, unless extended or provided herein, if the Closing shall not have occurred; provided, however, that Buyer is not in material and willful breach of any of its representations and warranties contained in this Agreement and has not failed in any material respect to perform any of its obligations hereunder (including, without limitation, Buyer's obligation to close pursuant to Section 3.1 hereof);

(ii) if any Order permanently restraining, prohibiting or enjoining Buyer or Seller from consummating the transactions contemplated hereby is entered and such Order shall have become a Final Order;

(iii)if (x) there shall have been a material breach by Seller of any of its representations, warranties, covenants or agreements contained in this Agreement and in respect of representations and warranties, notice of which has been provided to Seller prior to the

conclusion of the Auction, which breach would result in the failure to satisfy one or more of the conditions set forth in Section 7.1, and such breach shall be incapable of being cured or, if capable of being cured, shall not have been cured within ten (10) days after written Notice thereof shall have been received by the Company or, (y) if Buyer elects to terminate this Agreement pursuant to Section 10.4(c);

(iv) at any time after December 18, 2008, if the Approval Order shall not have been entered; or

(v) upon (i) entry of an Order of the Bankruptcy Court or other court of competent jurisdiction approving any Alternate Transaction (other than with Buyer) and provision of notice by Buyer, or (ii) the consummation of such Alternate Transaction (other than with Buyer).

(c) by Seller:

(i) at any time after December 29, 2008, unless extended as provided herein, if the Closing shall not have occurred; provided, however, that Seller is not in material and willful breach of any of its representations and warranties contained in this Agreement, or has failed in any material respect to perform any of its obligations hereunder (including, without limitation, Seller's obligation to close pursuant to Section 3.1 hereof);

(ii) if any Order permanently restraining, prohibiting or enjoining Buyer or Seller from consummating the transactions contemplated hereby is entered and such Order shall have become a Final Order;

(iii) if there shall have been a breach by Buyer of any of its representations, warranties, covenants or agreements contained in this Agreement, to the extent that the same have not theretofore lapsed or been terminated in accordance with the other provisions of this Agreement, which breach would result in the failure to satisfy one or more of the conditions set forth in Section 8.1, and such breach shall be incapable of being cured or, if capable of being cured, shall not have been cured within ten (10) days after written Notice thereof shall have been received by Buyer;

(iv) at any time after December 18, 2008, if the Approval Order shall not have been entered;

(v) upon (i) entry of an Order of the Bankruptcy Court or other court of competent jurisdiction approving an Alternate Transaction (other than with Buyer) and provision of notice by Seller, or (ii) the consummation of such Alternate Transaction (other than with Buyer).

Section 9.2 Consequences of Termination. If this Agreement is terminated under Section 9.1, written notice thereof will forthwith be given to the other party and this Agreement will thereafter become void and have no further force and effect and all further obligations of Seller and Buyer to each other under this Agreement will terminate without further obligation or liability of Seller or Buyer to the other, except that:

(a) each party will return or destroy all documents, workpapers and other material of any other party relating to the transactions contemplated by this Agreement, whether so obtained before or after the execution of this Agreement, to the party furnishing the same;

(b) notwithstanding the foregoing, this Section 9.2 and Section 6.6 (Public Announcements), Section 10.1 (Expenses), Section 10.5 (Notices), Section 10.6 (Choice of Law), Section 10.8 (Acknowledgment and Release), Section 10.12 (Exclusive Jurisdiction), Section 10.13 (Waiver of Right to Trial by Jury) and Section 10.14 (Beneficiaries) shall survive any such termination of this Agreement.

(c) The Deposit shall be returned to Buyer plus interest, if any, accrued thereon.

ARTICLE 10

MISCELLANEOUS

Section 10.1 Expenses. Except as set forth in this Agreement and whether or not the transactions contemplated hereby are consummated, each party hereto shall bear all costs and expenses incurred or to be incurred by such party in connection with this Agreement and the consummation of the transactions contemplated hereby. As between Buyer and Seller, Seller shall bear all costs of any Persons (other than Buyer, its agents or Affiliates) entitled to reimbursement by the Bankruptcy Court.

Section 10.2 Assignment. Neither this Agreement nor any of the rights or obligations hereunder may be assigned by Seller without the prior written consent of Buyer, or by Buyer without the prior written consent of Seller; provided, that Buyer may assign its rights and liabilities hereunder to one or more Affiliates of Buyer, which assignment shall not relieve Buyer of its obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Section 10.3 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of Seller and Buyer, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement except as expressly set forth herein. Without limiting the foregoing, no direct or indirect holder of any equity interests or securities of either Seller or Buyer (whether such holder is a limited or general partner, member, stockholder or otherwise), nor any Affiliate of either Seller or Buyer, nor any Representative, or controlling Person of each of the parties hereto and their respective Affiliates, shall have any liability or obligation arising under this Agreement or the transactions contemplated hereby.

Section 10.4 Risk of Loss.

(a) Casualty. Seller will bear all risk of loss occurring to or upon any portion of the Purchased Assets prior to the Closing Time. In the event that any material portion of any Purchased Assets is damaged or destroyed prior to Closing Time, then with respect to such

Purchased Assets Buyer may, at Buyer's option, either (i) proceed to close notwithstanding the damage or destruction of such Purchased Assets with an adjustment to the Purchase Price as set forth below in this Section 10.4(a); or (ii) exclude such Purchased Assets, in which event Buyer shall have no obligation to close if as a consequence of the exclusion of such Purchased Assets any condition to Closing in Section 7.1 would not be satisfied. If Buyer closes notwithstanding an unrepaired or unrestored loss to a Purchased Asset, Seller will deliver and/or assign to Buyer any insurance proceeds with respect to such damage or destruction, and all claims against third parties relating thereto, and the adjustment to the Purchase Price shall be limited to the amount of any deductible or self-insured retention under the applicable policies of insurance.

(b) Condemnation. In the event that any portion of the Purchased Assets is taken by eminent domain or condemnation prior to the Closing Time and such taking materially and adversely affects the use or utility of the Business, Buyer may within the later of (x) ten (10) days after it receives written notice of such taking or (y) two (2) days after the Auction Date either (i) proceed to close notwithstanding the eminent domain or condemnation proceeding, in which event Seller will assign to Buyer their entire right, title and interest in and to any award, with a reduction in the Purchase Price equal to the value of the Purchased Assets impacted by such proceeding; or (ii) exclude such Purchased Asset, in which event Buyer shall have no obligation to close if as a consequence of the exclusion of such Purchased Assets any condition to Closing in Section 7.1 is not satisfied or, if Buyer chooses to do so, purchase the remaining Purchased Assets with a reduction in the Purchase Price equal to the value of the remaining Purchased Assets subject to condemnation. If Buyer closes notwithstanding a condemnation of any Purchased Asset, Seller will deliver and/or assign to Buyer any proceeds with respect to such condemnation.

(c) Rejected Leases. In the event that any Assumed Real Property Lease is or has been rejected by Seller under the Bankruptcy Code prior to the Closing Time, Buyer may, at Buyer's option, within the later of (x) ten (10) days after Buyer receives written notice of such rejection either: (i) terminate this Agreement, or (ii) proceed to close notwithstanding the rejection of the Property Lease. A termination pursuant to this Section 10.4(c) shall constitute a termination under Section 9.1(b)(iii).

Section 10.5 Notices. All notices, demands, requests, consents, approvals or other communications (collectively, "Notices") required or permitted to be given hereunder or that are given with respect to this Agreement shall be in writing and shall be personally served, delivered by a nationally recognized overnight delivery service with charges prepaid, or transmitted by hand delivery, or facsimile, addressed as set forth below, or to such other address as such party shall have specified most recently by written Notice. Notice shall be deemed given on the date of service or transmission if personally served or transmitted by facsimile with confirmation of receipt; provided, that if delivered or transmitted on a day other than a Business Day or after normal business hours, notice shall be deemed given on the next Business Day. Notice otherwise sent as provided herein shall be deemed given on the next Business Day following timely deposit of such Notice with an overnight delivery service:

Section 10.6 Choice of Law. This Agreement shall be construed and interpreted, and the rights of the parties shall be determined, in accordance with the substantive laws of the state of Tennessee, without giving effect to any provision thereof that would require the application of the substantive laws of any other jurisdiction, except to the extent that such laws are superseded by the Bankruptcy Code.

Section 10.7 Entire Agreement; Amendments and Waivers. This Agreement, the Escrow Agreement, and all agreements entered into pursuant hereto and all certificates and instruments delivered pursuant hereto and thereto constitute the entire agreement between the parties hereto pertaining to the subject matter hereof and supersede all other prior agreements, understandings, negotiations, and discussions, whether oral or written, of the parties. This Agreement may be amended, supplemented or modified, and any of the terms, covenants, representations, warranties or conditions may be waived, only by a written instrument executed by Buyer and the Company, or in the case of a waiver, by the party waiving compliance. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), and no such waiver shall constitute a continuing waiver unless otherwise expressly provided.

Section 10.8 Acknowledgment and Release. Seller acknowledges and agrees that the Buyer is the sole Person bound by, or liable with respect to, the obligations and Liabilities of Buyer under this Agreement, and that no Affiliate of Buyer or any of its Subsidiaries other than Buyer, or any current or former officer, director, stockholder, agent, attorney, employee, Affiliate, advisor or consultant of Buyer or any such other entity shall be bound by, or liable with respect to, any aspect of the Agreement. Buyer acknowledges and agrees that the Seller is the sole Person bound by, or liable with respect to, the obligations and Liabilities of Seller under this Agreement, and that no Affiliate of Seller or any of its Subsidiaries other than Seller, or any current or former officer, director, stockholder, agent, attorney, employee, Affiliate, advisor or consultant of Seller or any such other entity shall be bound by, or liable with respect to, any aspect of the Agreement.

Section 10.9 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Counterparts to this Agreement may be delivered via facsimile or otherwise electronically. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

Section 10.10 Invalidity. If any one or more of the provisions contained in this Agreement or in any other instrument referred to herein, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, the parties shall use their reasonable efforts, including the amendment of this Agreement, to ensure that this Agreement shall reflect as closely as practicable the intent of the parties hereto on the date hereof.

Section 10.11 Headings. The table of contents and the headings of the Articles and Sections herein are inserted for convenience of reference only and are not intended to be a part of, or to affect the meaning or interpretation of, this Agreement.

Section 10.12 Exclusive Jurisdiction. Without limiting any party's right to appeal any order of the Bankruptcy Court, during the Case: (a) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide (insofar as they relate to Seller) any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby, and (b) any and all claims, actions, causes of action, suits and proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive Notices at such locations as indicated in Section 10.5.

Section 10.13 WAIVER OF RIGHT TO TRIAL BY JURY. SELLER AND BUYER HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

Section 10.14 Beneficiaries. Nothing in this Agreement, express or implied, is intended to confer upon any other Person any rights or remedies of any nature under or by reason of this Agreement, except as expressly provided herein.

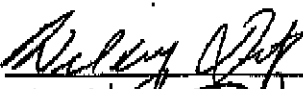

Section 10.15 Counting. If the due date for any action to be taken under this Agreement (including the delivery of Notices) is not a Business Day, then such action shall be considered timely taken if performed on or prior to the next Business Day following such due date.

Section 10.16 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any federal, state, local, or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. The word "including" shall mean including without limitation. Nothing in the Disclosure Schedule shall be deemed adequate to disclose an exception to a representation or warranty made herein unless the Disclosure Schedule identifies the exception with particularity and describes the relevant facts in detail. Without limiting the generality of the foregoing, the mere listing (or inclusion of a copy) of a document or other item shall not be deemed adequate to disclose an exception to a representation or warranty made herein (unless the representation or warranty has to do with the existence of the document or other item itself). The Parties intend that each representation, warranty, and covenant contained herein shall have independent significance. If any Party has breached any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty, or covenant relating to the same subject matter (regardless of the relative levels of specificity) which the Party has not breached shall not detract from or mitigate the fact that the Party is in breach of the first representation, warranty, or covenant. If any Party prevails in any action, suit or claim for breach of this Agreement, such prevailing party shall be entitled to recover reasonable attorneys' fees in addition to other damages or costs or expenses.
